

Due to PECOS Backlog, CMS Announces Delay of January 3, 2011 Automated Edits & Claims Denial

NOTE: The date has been ~~changed to July 5, 2011~~ delayed indefinitely.

The following statement was released by CMS on November 26, 2010:

The Centers for Medicare & Medicaid Services (CMS) previously announced that, beginning January 3, 2011, if certain Part B billed items and services require an ordering/referring provider and the ordering/referring provider is not in the claim, is not of a profession that is permitted to order/refer, or does not have an enrollment record in the Medicare Provider Enrollment, Chain and Ownership System (PECOS), the claim will not be paid. **The automated edits will not be turned on effective January 3, 2011.** We are working diligently to resolve enrollment backlogs and other system issues and will provide ample advanced notice to the provider and beneficiary communities before we begin any automatic nonpayment actions.
