

Fractional Administrator

Physician practices who do not have the need for a full-time, high-level Practice Administrator can take advantage of our Fractional Administrator service.

Mary Pat Whaley, FACMPE, CPC is available to assess, advise and guide your practice at an interval that fits your needs. From 2 hours a week to 2 hours a month, Mary Pat is available to keep your practice on track. This may include assistance with operations, human resource management, revenue cycle management, contract review and negotiating, strategic planning, project management or manager coaching.

Fractional Administrator hours can be purchased in advance at a 25% discount, or can be purchased as needed.
