

Solo and Small Medical Practices Benefit from New Manage My Practice and The Billing Department Partnership

Durham, North Carolina and Falmouth, Maine: Today, Manage My Practice, LLC, a full-service consulting firm specializing in services to solo and small medical practices and The Billing Department, Inc., a company that provides revenue cycle management services to healthcare providers, announced a partnership to offer practice consulting, coding, medical billing and a range of other services to physicians and other healthcare providers nationally.

Of the decision to form a partnership to jointly provide high-quality coding and billing services, Mary Pat Whaley, founder and president of Manage My Practice said “I’ve been recommending The Billing Department to my clients for several years and they report back to me that The Billing Department’s services are always exceptional. It seemed a natural step that The Billing Department and Manage My Practice collaborate to offer a wider range of services together.”

Vanessa Higgins, founder and president of The Billing Department stated “ Manage My Practice is well-established as the premier consulting company specializing in solo and small medical practices in the United States today. It is a thrill to be able to partner with such a well-respected company to serve an often-overlooked market such as solo physicians and other small practice healthcare providers.”

Among the services the new partnership will offer are:

- New Practice Start-up
- End-to-end Revenue Cycle Management including Credit Card on File implementation
- Consulting on medical practice organizational and operational issues
- Professional Coding and Clinical Documentation Improvement for primary care and other specialties
