

# The Social Media Conversation

As social media matures and more healthcare groups gain experience using it, we understand more about it and the role it will play in the future of healthcare.

Last week, Abraham and I gave a program called “Starting the Conversation: An Introduction to Using Social Media In Healthcare” to a group of healthcare managers. We discussed social media’s potential to influence patient satisfaction, which is expected to influence reimbursement.

You can download our program [here.](#)
