

Why Susannah Fox of the Pew Internet Project Believes the Future of Healthcare is Mobile

Here's a fascinating video on how the Internet is transforming healthcare. Susannah Fox from the Pew Internet and American Life Project spoke in September 2010 at *Mayo Transform 2010 : Thinking Differently About Health Care*. The transcript of her talk is [here](#). If you have an interest in where healthcare is going and where your medical group needs to be, take 15 minutes and listen to Susannah Fox.
