

# Recorded Interview on EHRs on the Cloud

Listen to the recording [here](#).

MU Live! is a 30 minute talk radio style web and audio cast hosted by the folks at **HITECH Answers**. Experts discuss breaking news and issues on meaningful use as well as other health IT topics.

From HITECH Answers:

*February 28, 2 pm EST: Our guest this week is leading practice management consultant and Health IT blogger of the year Mary Pat Whaley. We'll discuss cloud-based EHRs and other practice implementation strategies with Mary Pat, a former practice administrator with lots of experience managing EHR implementations.*
